

Obtaining Information about Accessible Programs, Services, and Activities

Persons with disabilities seeking information about the existence and location of the Unified Government's accessible programs, services, and activities are encouraged to contact the representative of the department responsible for the program, service, or activity. The name of the representative can be found on the department's webpage. Inquiries about the existence and location of accessible programs, services, and activities also may be directed to Gordon Criswell, Assistant County Administrator and ADA Coordinator, 701 N. 7th St., Kansas City, Kansas, (913) 573-5030, gcriswell@wycokck.org.
