

Law Enforcement *ON TRACK* to Prevent Child Abuse

Friday, April 1, 9:30 a.m.

Kansas Speedway, Village West

Law enforcement personnel need to arrive by 0900

The Wyandotte County Sheriff's Department and the Kansas Speedway are hosting **Law Enforcement "On Track" to Prevent Child Abuse** to promote April as Child Abuse Prevention Month. Law Enforcement from many agencies will be represented. Fully marked patrol units will be lined up in the pit area. Blue ribbons will be handed to each officer by children and their parents after a short program, asking officers to "help protect children from abuse."

Sheriff Don Ash will wave the checkered flag and all units will activate their emergency equipment. After a brief moment, he will wave the flag again and officers will turn off their sirens, but keep all lights on. This will symbolize all officers working together to prevent abuse. The *Kansas Speedway Show Car* will start the procession of patrol cars leaving the pit area and going around the track in groups of 2. Pictures will be taken from the ground and a helicopter will be filming from above.
