

WHAT WE

DO

We meet you where you're at

Our program acknowledges there are many different approaches to recovery from substances. Whether it's connections to treatment services, or medical, family, legal, etc. steps that need to be taken along the way, we will match a peer with you to assist on the journey.

**Photos are not actual clients or employees.*

ARE YOU THE RIGHT
FIT?
RIGHT

OUR CLIENTS ARE:

- Ready to make a change in their substance use patterns
- Willing to commit to the steps needed to make meetings, appointments, and deadlines for gaining resources

Examples of Services

Wyandotte County Public Health Department peers will connect clients to:

- Mental, behavioral and physical healthcare
- Substance Use treatment
- Family support and reunification
- Housing assistance
- Individual and group counseling
- Mentoring one-on-one
- Case Management
- Benefits enrollment
- Legal Services
- Education support (high school equivalency, college, tutoring)

Our services are **free of charge**. We just ask to have commitment from the client that they are ready to do the work it takes to gain lasting change.
