ZUMBA

We take the “work” out of workout, by mixing low-intensity and high-intensity moves for an interval-style, calorie-burning dance fitness party. Once the Latin and World rhythms take over, you’ll see why Zumba® Fitness classes are often called exercise in disguise. Super effective? Check. Super fun? Check and check.

ZUMBA GOLD

Active older adults who are looking for a modified Zumba® class that recreates the original moves you love at a lower intensity. The design of the class introduces easy-to-follow Zumba® choreography that focuses on balance, range of motion and coordination. Come ready to sweat and prepare to leave empowered and feeling strong.

STEP

Aerobic exercises and dance movements are performed by stepping up onto and down from a rectangular platform.

STRONG NATION

Training to the beat. STRONG Nation combines body weight, muscle conditioning, cardio, plyometric training moves synced to original music that has been specifically designed to match every single move. Every squat, every lunge, every burpee is driven by the music, helping you make it to that last rep, and maybe even five more.

TAE-KWON-DO

This program is for youth participants, 5-12 years old. This is a Korean form of martial arts, characterized by punching and kicking techniques.

ZUMBA KIDS

Perfect for younger Zumba fans! Kids 6-12 years old get the chance to be active and jam out to their favorite music. Features kid-friendly routines based on original Zumba choreography. We get down the steps, add games, activities, and cultural elements into the class structure. Incorporates key development elements like leadership, respect, teamwork, confidence, self-esteem, memory, creativity, coordination, and cultural awareness.
